理性购物, 减少浪费, 废物利用

普通家庭每年浪费大约1500美元的食物。当未食用的食物最终进入垃圾填埋场时, 会产生导致气候变化的温室气体(GHG)。首先, 我们应防止食物浪费以便减少GHG的排放, 同时为您节省资金。回收食物残渣能促使洛杉矶更健康、更可持续地发展。

这正是加州退出要求所有城市在2025年前减少75%的有机废物的新项目的原因为。请访问organicsLA.org或扫描下方二维码了解如何:

- 使用绿色垃圾桶回收食物残渣
- 避免食物浪费
- 家庭堆肥更有效
- 使用水槽内的处理系统来转移食物残渣

您现在需要把食物残渣和被食物污染的纸张, 连同院子里的垃圾, 放进绿色垃圾桶内。绿色垃圾桶将每周被取走, 收集日将保持不变。收集的材料将被加工成营养丰富的堆肥。

为了帮助您适应新项目, 洛杉矶市提供了一个免费的厨房垃圾桶, 用于收集食物残渣。这些垃圾桶可以在全市各配送网点领取, 每户一个, 领完即止。要领取垃圾桶, 请访问www.lacitysan.org/organics或扫描下方二维码预约。

感谢您参与我市的新项目。如果您对预约调度程序有疑问, 请致电1-800-773-CITY。

作为《美国残疾人法》第二章所涵盖的实体, 洛杉矶市不存在残疾歧视, 并将根据要求提供合理的便利, 以确保平等参与其项目、服务和活动。

zero waste • zero wasted water

OrganicsLA

Shop smart,
waste less,
recycle the rest.

A typical household wastes about **\$1,500 per year on food that isn't eaten**. When uneaten food ends up in the landfill, it creates greenhouse gases (GHG) that contribute to climate change. Preventing food waste in the first place helps reduce our GHG emissions and saves you money. Recycling food scraps promotes a healthier, more sustainable LA.

That's why the State of California has a new program that requires all municipalities to **reduce organic waste by 75% by 2025**.

Visit **organicsLA.org** or scan the QR code below to learn how to:

- *Use your green bin to recycle your food scraps*
- *Prevent food from being wasted*
- *Home compost more effectively*
- *Use an in-sink disposal system to divert food scraps*

You are now required to place food scraps and food soiled paper, along with yard waste, in your green bin. Your green bin will be picked up weekly and your collection day will remain the same. The collected material will be processed into nutrient rich compost.

To help you transition into the new program, the City of Los Angeles is offering a free kitchen pail for collecting food scraps. These pails are available for pickup at distribution outlets located throughout the City, one per household, while supplies last. To pick up a pail, schedule an appointment by visiting **www.lacitysan.org/organics** or by scanning the QR code below.

Thank you for participating in the City's new program. If you are having issues with the appointment scheduler, please call **1-800-773-CITY**.

Put Food Scraps in your Green Bin

Use what you bought, recycle any remaining food scraps

STEP 1

Fill your pail (or a container of your choice) with food scraps.

STEP 2

Empty pail contents into your green bin. Rinse out pail. Fill again.

STEP 3

Take your green bin to the curb for weekly collection.
