

# OrganicsLA

明智採購、減少浪費、廚餘回收。

一般家庭每年約丟棄價值\$1,500美元未食用的食物。當這些未食用的食物丟棄至垃圾掩埋場後，會形成影響氣候變遷的溫室氣體(GHG)。從避免浪費食物開始，不僅可以減少溫室氣體的產生，也可以省下您的荷包。回收廚餘能創造一個更健康、永續的洛杉磯。

因此，加利福尼亞州制定了一項新計劃，要求所有城市到2025年將有機廢物減少。請至網站organicsLA.org 或掃描下方二維碼，獲取以下資訊：

- 使用您的綠色垃圾桶回收食物殘渣
- 避免浪費食物
- 更有效的處理家庭廚餘
- 使用水槽內處理系統過濾食物殘渣

現在，您需要將食物殘渣、沾染過食物的紙和庭院垃圾一同放入綠色垃圾桶中。您的綠色垃圾桶將於您固定的垃圾收集日一併收集，每週一次。收集到的廚餘類垃圾，將被加工成營養豐富的堆肥。

為了幫助您過渡到新計劃，洛杉磯市提供免費的廚餘桶來收集食物殘渣。這些廚餘桶可在全市的分發點領取，每戶一個，送完即止。如需領取廚餘桶，請至網站 [www.lacitysan.org/organics](http://www.lacitysan.org/organics) 或掃描下面的二維碼進行預約。

感謝您參與市政府的新計劃。如果您對預約安排有疑問，請致電 1-800-773-CITY。

## 食物殘渣放入綠色垃圾桶

善用食材，回收剩餘食物殘渣

### 第一步

將食物殘渣收集在廚餘桶(或任何容器)內。

### 第二步

將廚餘桶內食物殘渣倒入綠色垃圾桶。清洗廚餘桶後，再次收集。

### 第三步

每周將綠色垃圾桶放至路邊等待收集。

請至網站 [www.lacitysan.org/organics](http://www.lacitysan.org/organics) 或 [www.lacitysan.org](http://www.lacitysan.org) 了解更多資訊，或致電 800-773-2489 聯繫我們的 24小時客戶服務中心，並在社交媒體 @lacitysan 上關注我們     

作為《美國殘疾人法案》第二章所涵蓋的實體，洛杉磯市不會因殘疾而歧視，並將根據要求提供合理的便利，以確保其平等地參與政府計劃、服務和活動。

zero waste • zero wasted water

Funded by

# OrganicsLA

Shop smart,  
waste less,  
recycle the rest.

A typical household wastes about **\$1,500 per year on food that isn't eaten**. When uneaten food ends up in the landfill, it creates greenhouse gases (GHG) that contribute to climate change. Preventing food waste in the first place helps reduce our GHG emissions and saves you money. Recycling food scraps promotes a healthier, more sustainable LA.

That's why the State of California has a new program that requires all municipalities to **reduce organic waste by 75% by 2025**.

Visit **organicsLA.org** or scan the QR code below to learn how to:

- *Use your green bin to recycle your food scraps*
- *Prevent food from being wasted*
- *Home compost more effectively*
- *Use an in-sink disposal system to divert food scraps*

**You are now required to place food scraps and food soiled paper, along with yard waste, in your green bin.** Your green bin will be picked up weekly and your collection day will remain the same. The collected material will be processed into nutrient rich compost.

To help you transition into the new program, the City of Los Angeles is offering a free kitchen pail for collecting food scraps. These pails are available for pickup at distribution outlets located throughout the City, one per household, while supplies last. To pick up a pail, schedule an appointment by visiting **www.lacitysan.org/organics** or by scanning the QR code below.

Thank you for participating in the City's new program. If you are having issues with the appointment scheduler, please call **1-800-773-CITY**.

### Put Food Scraps in your Green Bin

Use what you bought, recycle any remaining food scraps

#### STEP 1

Fill your pail (or a container of your choice) with food scraps.

#### STEP 2

Empty pail contents into your green bin. Rinse out pail. Fill again.

#### STEP 3

Take your green bin to the curb for weekly collection.
