

SORT LA

Separating **O**rganics, **R**ecycling and **T**rash

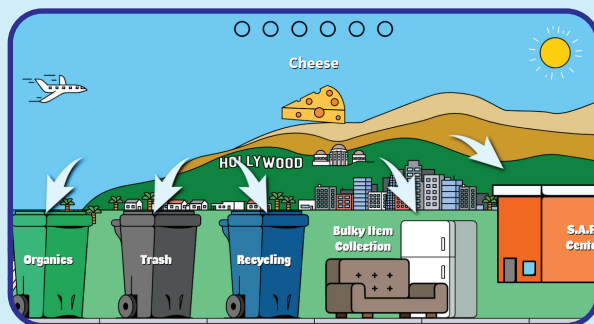

Have questions about what goes in each bin?

You can search for any item in SORT LA and find out exactly how to dispose of it.

It can even give you tips on where to put difficult items like batteries, electronics, furniture, and more!

Test your skills!

Play our sorting game! Drag and drop the item into its correct bin or collection service. You get a certificate if you can beat the challenge and clear all five levels!

Sort in your language!

SORT LA is currently available in English, Chinese, Japanese, Khmer, Korean, Russian, Spanish, and Vietnamese. Just click the language button on the top right of the app to switch to your preferred language.

Can't find an item?

If no results come up when you search for an item, try a synonym or a general category (such as "fruit" instead of "mango peel"). You can also suggest it in the app and our experts will do their best to add it!
